To make you aware

- This webinar will be recorded and made available to Oxford Analytica Daily Brief and FrontierView clients and prospects.
- We encourage you to submit questions during the call via the Q&A function at the bottom of the screen. Please tick '**Send anonymously**' if you don't wish to be identified by name.

During this webinar, we will discuss:

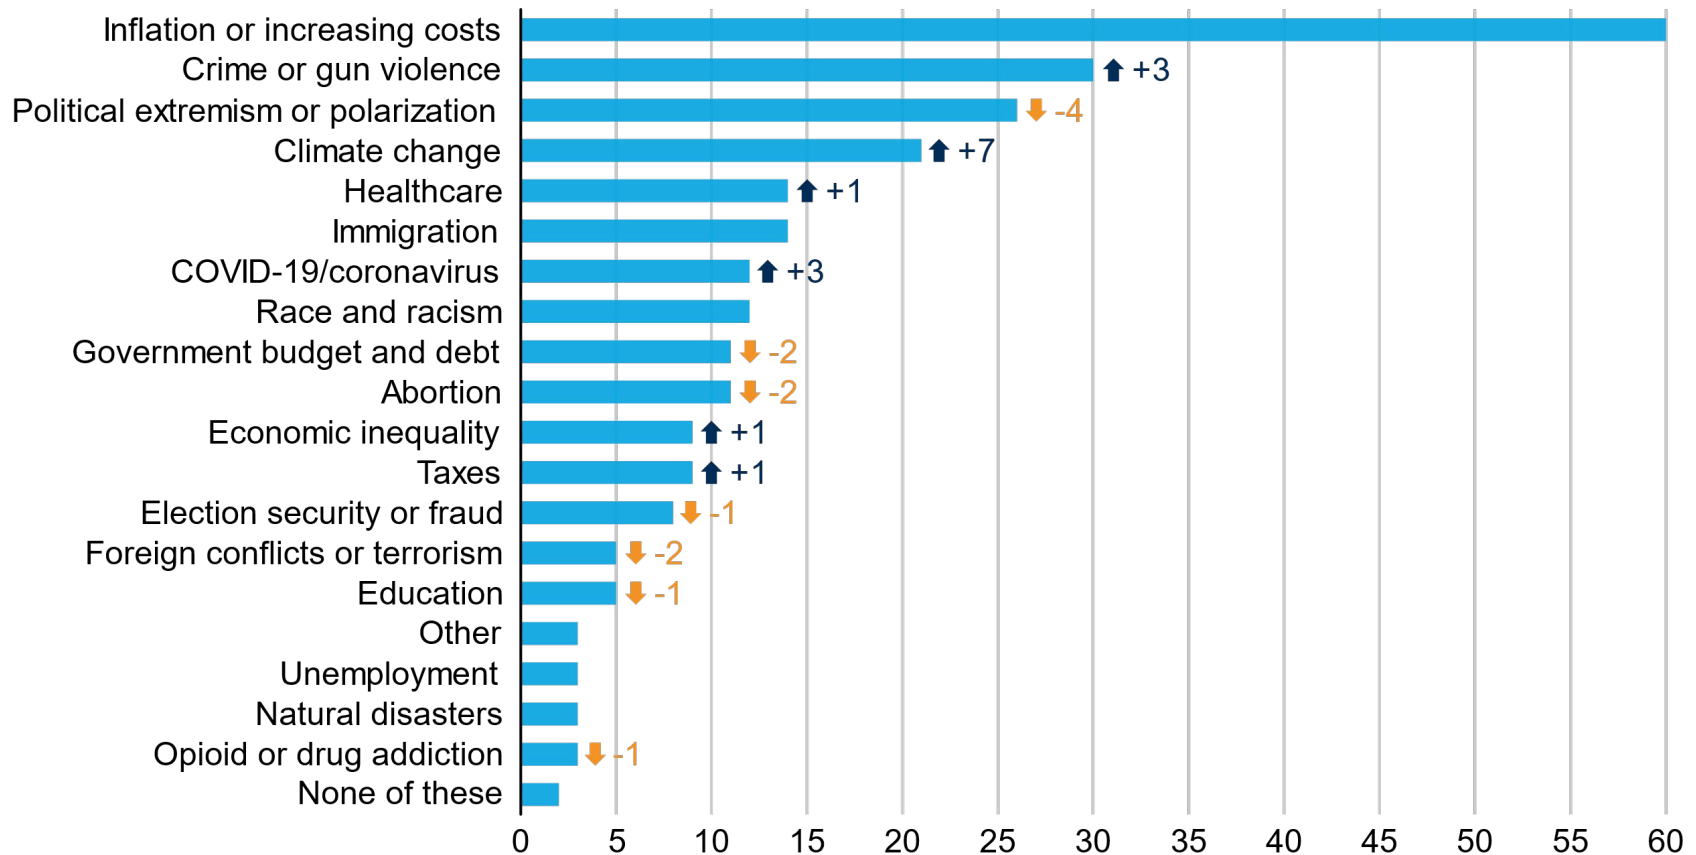

- Recent economic trends and short-term forecasts for inflation, employment and wages.
- Regional and sectoral outliers that could have a bearing on the election.
- Polling trends and other data to identify where the elections are likely to be won and lost.
- Potential impact of new majorities in the House and Senate, and what they could mean for policymaking and economic management in 2023.

Your panel today

- **Elizabeth Rust**, *Senior Analyst, FrontierView*
- **Giles Alston**, *Senior Analyst, Oxford Analytica*
- **Meghan Milloy**, *member of the Oxford Analytica expert network*

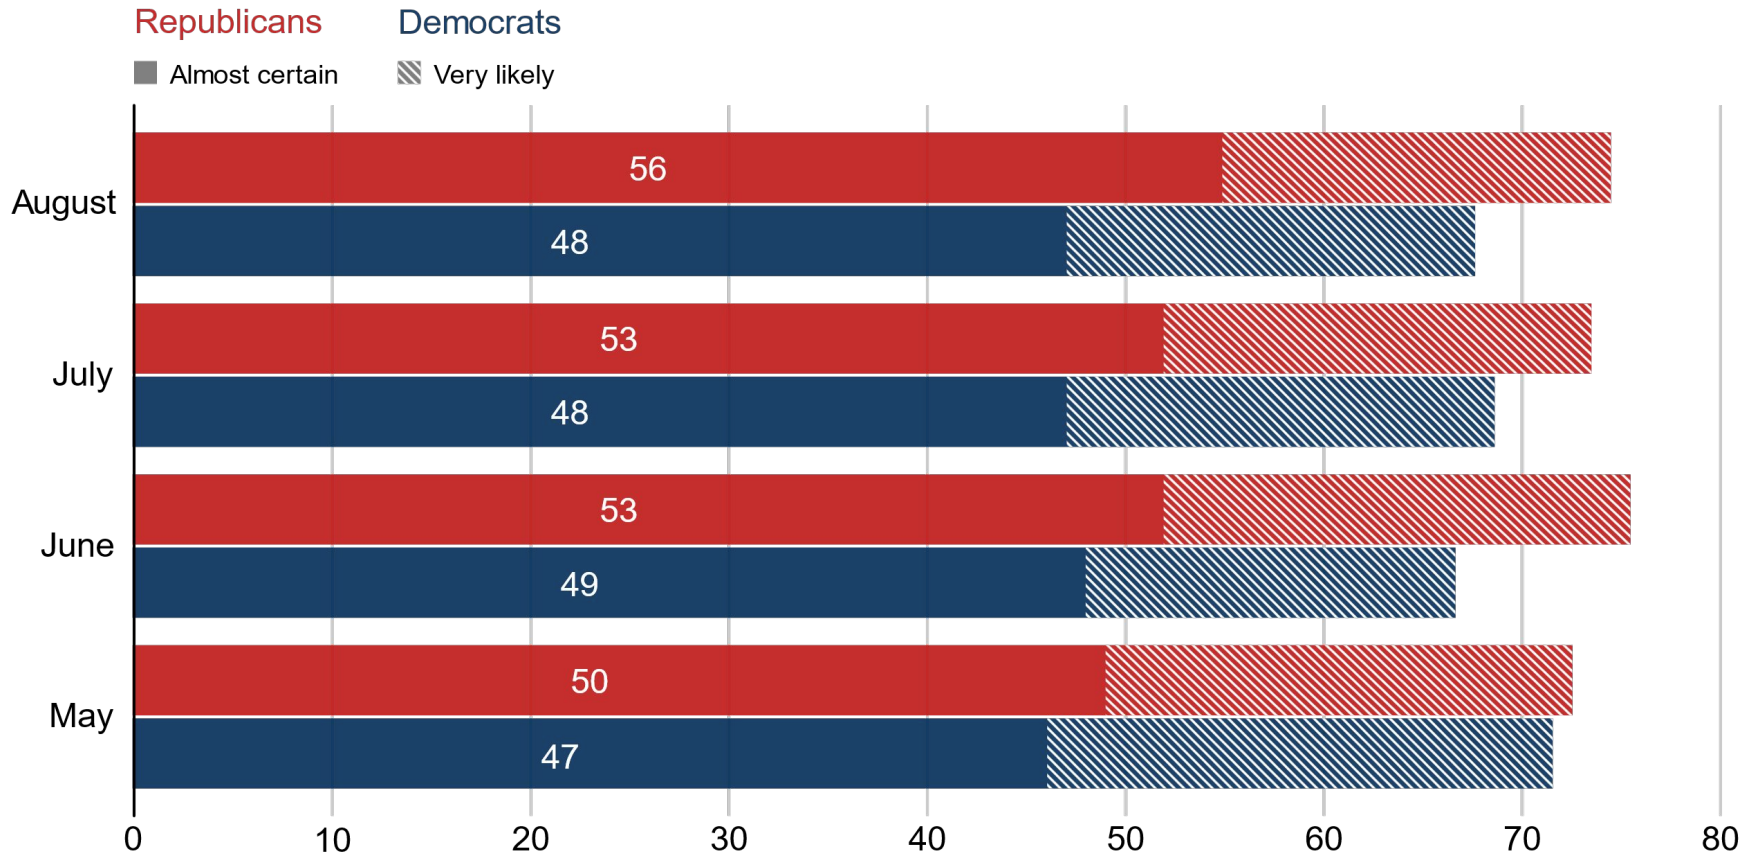

Chair: **Nick Redman**, *Director of Analysis, Oxford Analytica*

Share of people who find the following topics to be the most worrying to them personally

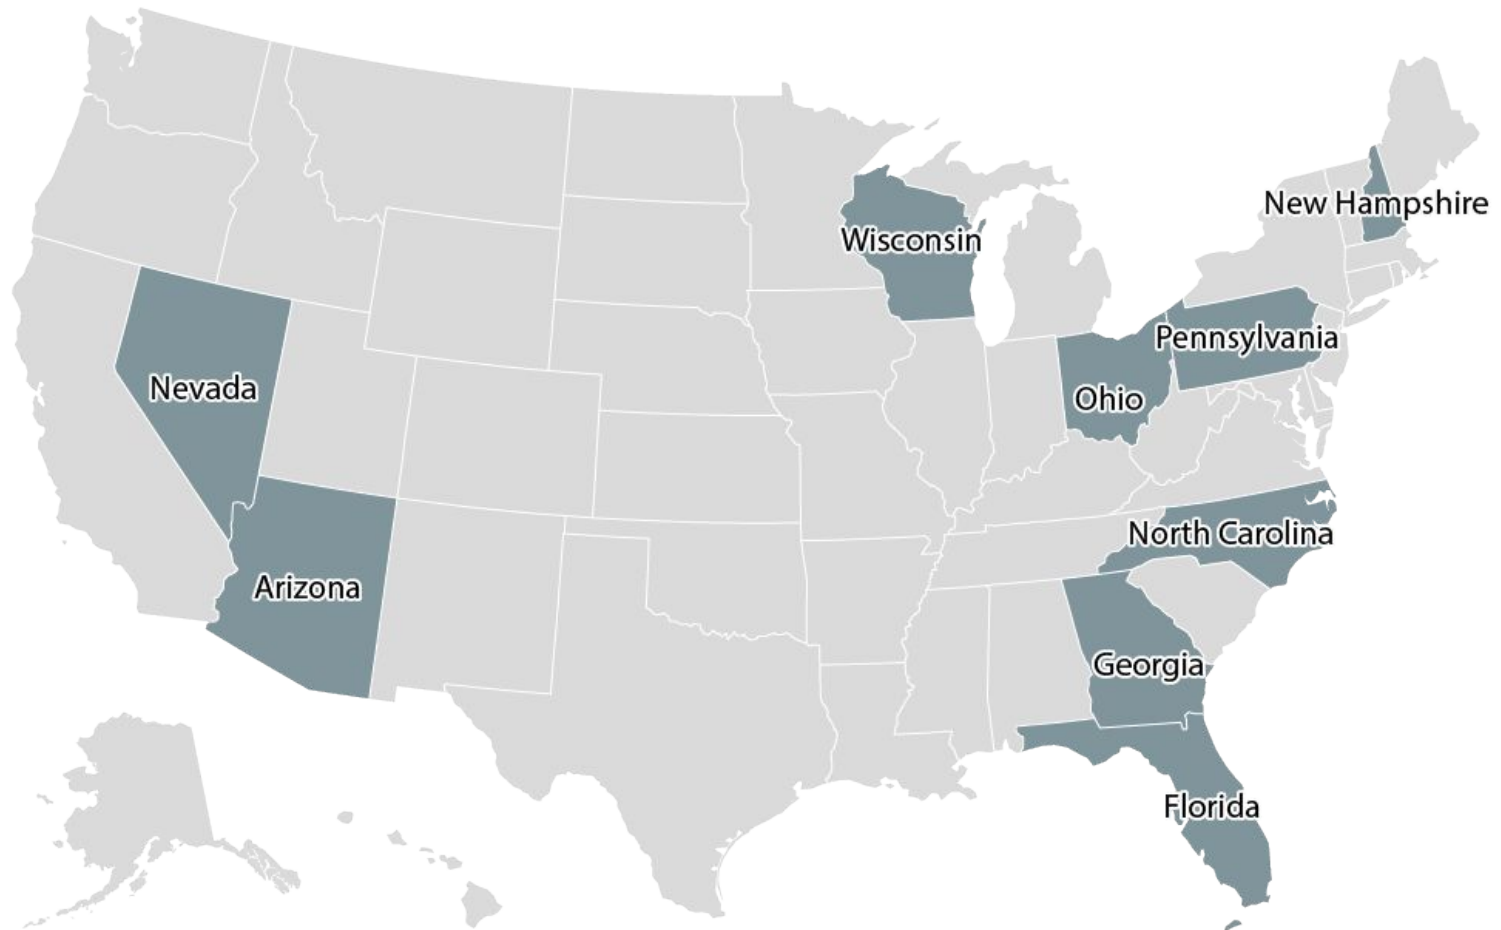

Source: FiveThirtyEight/Ipsos

Voter enthusiasm: How likely, if at all, are you to vote in the 2022 midterm elections?
